Drawings

1. The drawings were previously indicated as objected to since the unlabelled blocks of figures 3 and 4 did not contain text labels. The figures do contain text labels of the signals input and output of the unlabelled blocks of the figures. The objection was made to allow one reading the figures to clearly understand what is represented by the figures. Due to applicant's reluctance to amend the figures to provide this understand, the previous objection to the figures is withdrawn and the drawings are acceptable.

Response to Arguments

2. Applicant's arguments with respect to the amended claims have been fully considered and are persuasive. The previous rejection of the claims has been withdrawn.

Allowable Subject Matter

3. Claims 1-3, 5-9 and 11 are allowed.
